Feedback Survey

This survey takes about 5 minutes. Please fill it in after the debriefing, on your own. It is anonymous, so do not write your name. Tick one answer per question.

Scenario (A, B or C)	Group number	Date

The group number lets the instructor compare the two rounds within a team.

F1. How difficult was Round 1 for you?

	Too easy
	Just right
	Challenging but doable
	Too difficult

F2. How difficult was Round 2 compared to Round 1?

	Much easier
	About as difficult
	More difficult, but the structure helped
	Too complex, even with the structure

F3. How well did you understand the tasks?

	I fully understood both rounds
	I partly understood both rounds
	I understood Round 1, Round 2 was difficult
	I hardly understood either round

F4. How was the time in Round 1?

	Too much time
	Just right
	A little too short
	Far too short

F5. How was the time in Round 2?

	Too much time
	Just right
	A little too short
	Far too short

F6. How was the collaboration in your team in Round 1?

	Very good, we figured it out together
	Okay, but a bit chaotic
	Poor, hardly any coordination

F7. Did the way of working in Round 2 help your team?

	Yes, clearly, it felt more structured
	Somewhat, it helped but was not perfect
	Hardly any difference, it changed little

F8. How clear were the task sheets?

	Very clear
	Mostly clear
	Partly unclear
	Unclear

F9. How useful was the TinkerCad simulator?

	Useful, it helped us solve minor problems
	Not used

F10. How do you rate the session overall?

1 Very poor	2	3	4	5 Excellent
